Beneficio Financiero para el Cumplimiento de Reglas 2022
Ideas para Solicitudes de Proveedores de Centros

The purpose of this document is to offer Ideas on what can be purchased with grant funds. This list is not exhaustive; it's okay if you think of something else not on the list.

When considering a request, consider the whole request. For instance, if a request was made for paper towel dispensers, consider the cost of dispensers and, if needed, the paper towels to go in them. Consider the cost of installation, shipping, taxes, etc.

El propósito de este documento es ofrecer ideas sobre lo que se puede comprar con los fondos del beneficio financiero. Esta lista no es exhaustiva; está bien si piensa en algo más que no esté en la lista.

Al solicitar un artículo, considere la solicitud completa. Por ejemplo, si solicito dispensadores de toallas de papel, considere el costo de los dispensadores y, si es necesario, las toallas de papel que van en ellos. Considere el costo de instalación, envío, impuestos, etc.
